STELLA BELLA®

Stella Bella is a trademarked variety from Sunview Vineyards, a three generation family farm located in Delano, California.

This exquisite green seedless grape is prized around the world for its large berry size, crisp texture, elongated shape, superb sweetness and long shelf life.

The sunshine and excellent growing conditions in California's San Joaquin valley define the quality of this exceptional proprietary variety. The grape crop is looking brilliant this year and we are expecting increased supplies to meet our already satisfied customer base.

Sunview's Stella Bella will be available this year from July until October. Make Stella Bella your quality "star".
